CAPT. SEABURY PASSES AWAY

A late telegram brings the news of the death of Captain W. B. Seabury. Captain Seabury has been connected with the Pacific Mail Steamship Company for about thirty years and by his frequent comings and goings to and from this port as master of Pacific Mail steamers he has made himself popular and endeared himself generally to the people of Honolulu. For a number of years Captain Seabury was in command of the S. S. China. He was relieved from that duty in 1901 for the purpose of bringing the S. S. Korea from Newport News to San Francisco via Cape Horn. He was to be in command of the S. S. Mongolia, which arrived this morning from San Francisco, and many expressions of kindness and regret were heard on all sides when it was learned that the old-time master had passed away.

The Weekly Edition of the Evening Bulletin gives a complete summary of the news of the day. For \$1 a year.
